

## Title IV Authorization Form

*All federal aid recipients must complete the Title IV Authorization Form to instruct PIU how excess Title IV funds must be applied. The form will remain valid for each subsequent payment period the aid recipient enrolls at Piedmont.*

**Please select one of the following:**

- Please hold FSA credit balances on my account to help pay for the authorized charges indicated below (select any or all that apply):
  - To pay outstanding miscellaneous institutional charges.
  - To pay outstanding prior-year charges.
  - To pay for future semester charges within the current academic year.
- Please disburse FSA credit balances on my account to me in the form of a check.

**Please read the following information before signing your authorization form.**

*If you opt to receive your FSA credit balance in the form of a check, please note that any excess loan funds may be used to pay for educational expenses **only**, including room and board, tuition, books, fees, supplies, transportation, and child care. If you have borrowed in excess of your educational expenses, please contact our office and we can reduce your loan amount.*

*PIU will not hold any FSA credit balance beyond the current year to which the aid was applied. All credit balances will be issued via check at the end of the academic year.*

**Section 3: Sign and date below**

*This authorization form may be cancelled or modified at any time. If cancelled or modified, changes are not retroactive, and student will be responsible for any outstanding charges. If authorization is cancelled, the FSA credit balance check will be issued within 14 days.*
