INSTITUTIONAL EFFECTIVENESS NEWSLETTER

JANUARY 2019

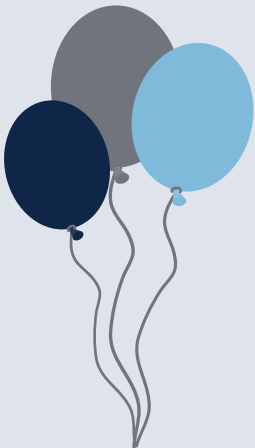

CBS AND HBU VISIT

PIU added the Office of Institutional Effectiveness during the summer of 2017, and since then, our office has sought to develop professional knowledge of higher education assessment. Because networking and collaboration enhance success in professional endeavors, Mr. Pattisall accompanied a PIU team led by Dr. Condon in December 2018 to visit two regionally accredited schools--the College of Biblical Studies in Houston and Houston Baptist University.

At CBS, Mr. Pattisall spent the afternoon with Dr. Parle and Dr. Hantla, who explained that "compliance does not equal perfection." Continuous improvement is an art requiring many artists to work together towards a beautiful data-driven masterpiece. Dr. Parle and Dr. Hantla also gave helpful insights for organizing a systematic review of institutional policies.

At HBU, Mr. Pattisall met Ms. Tauer, the Associate Provost and SACSCOC Accreditation Liaison. She explained how employees from various offices at HBU form an extensive team and execute their assessment plan on an annual basis.

CONGRATULATIONS! WE DID IT!

After almost a year of long meetings, difficult decisions, and hard work, we happily celebrate the beginning of Jenzabar "go-live" this week! Thank you to everyone who gave their time and brainpower to ensure that we would have a successful, on-schedule Jenzabar implementation. Because of your dedication to the project, we can continue to serve students and train them to be effective Christian leaders.

STATISTIC OF THE MONTH

4997

IMPORTANT REMINDERS

- All offices and departments should continue tracking data that they will report to the I.E. Office in May.
- School Deans should observe faculty and compile Faculty Evaluation Summaries for their schools.

The chart below shows the percent of total enrollment on Academic Warning and Academic Suspension at the end of each Fall term for the past four years.
